You must be passionate about providing excellent customer service and willing to go above-and-beyond to resolve customer issues. You will be serving customers efficiently, responsively, and digitally in the areas of billing, moves, energy accounts and Loans & Financing programs, gas and electric service and emergency response.

Salary: \$1,621.56-\$2,229.61 Bi-weekly / \$42,160.61-\$57,969.86 Annually

Responsibilities:

- Respond to customer inquiries in French and English on the phone and in writing with respect to their energy accounts, Loans & Financing programs, and provision of gas and electric service, including connects, disconnects and power outages.
- Recognize potential emergencies and follow procedures to ensure customer safety.
- Educate customers on billing procedures, service charges, fees and programs to our customers.
- Correct all billing related errors, including meter readings and changes to customer information records.
- Provide customers with information about various customer-oriented programs, directing them to the appropriate source as required.
- Arrange appointments with our customers for service work as required.

Qualifications:

- High School education. Successful candidates will be required to provide proof of graduation (i.e. diploma or transcripts).
- Proficient in basic mathematics and keyboarding skills.
- Must be legally eligible to work in Canada.
- Fluent in French and English, both spoken and written.
- A minimum of two years of relevant customer service experience in a fast-paced Customer Service environment is required.
 - This may include clerical duties such as: answering phone calls, data entry, filing, creating records, email duties, paying and/or organizing bills within the following industries; Contact Centre, Legal, Financial, Healthcare, Tourism or retail/restaurant managerial experience.

The selection process includes a panel interview, French test, math assessment and a standardized computer-based test that measures how well a candidate's abilities match the requirements of the job.

NOTE: Manitoba Hydro's Customer Contact Centre has shifts ranging between 7:00 am – 6:10 pm. We are currently hiring for our 9:40 am – 6:10 pm shift. Opportunity to move shifts at a later date are subject to Manitoba Hydro Work Policies. All shifts are subject to change based on Manitoba Hydro Policy and operational requirements.

All applications must include (only completed applications will be considered):

- Cover letter
- Current resume

Applications will be reviewed as they are submitted and candidates with a complete application will be emailed a link to the standardized computer-based test.
